Global Mission Team visits Peru

Mini-Bishop came too – riding on a llama!

The International Consultation of Lutheran Church leadership in the Americas for Renewed Relationships in Mission was held November 10-13 in Lima, Peru. Attending on behalf of the Florida-Bahamas Synod were Global Mission Committee members Pr. Stephen Winemiller (Faith, Sarasota); DEM and Synod Liaison for Global Mission Pr. Jaime Dubon; Anita Unrath (Messiah, Cocoa Beach); and PJ May (Redeemer, Fort Myers).

Attendees gathered in worship, large group plenary sessions, and small group meetings to lift up the Companion Synod-Church relationships, revisit methodologies for engaging in intercultural mission, and plan priorities for action for the next three years.
