FAQs

Are gifts to the Together in Mission fund over and above ongoing Mission Support? Yes, these are important new initiatives that require funds above and beyond our regular support of the Florida-Bahamas Synod.

Can my giving to Together in Mission be designated? Yes, individual and congregational gifts can be designated as desired to support Together in Mission's work in the Florida-Bahamas Synod, or in support of the Lutheran Church of Haiti, or both. Undesignated gifts are automatically divided 80/20, with 20% toward Haiti.

How can my congregation apply for a grant? Applications are available at www.fbsynod.com, under the "Mission and Ministry" tab. E-mail your questions to the grant committee: tim-grant@fbsynod.org
