

Thank you for your expressed interest in the trip to Luther & Bach Country. Because you were not able to attend our meeting on Sunday, November 19, we are sending you the information discussed. Enclosed is the final brochure for the trip and the official information/application form.

You will note that the price is \$ 1820.00 per person sharing a double occupancy room. Limited single rooms are available for an additional charge of \$ 368.00.

Please notice that the trip is now land only. You will need to obtain your own air to and from Frankfurt Airport, Germany. The tour has been made land only because of popular request. Many persons preferred departing the USA from the city of their choice. This revision has the additional benefit of allowing for extended time in Europe either before the tour begins or at the completion of the tour.

The Luther & Bach Country itinerary has been rethought and revised since the initial flier. Besides including Dresden, the trip has been structured for flow and pace of tour, group interests and limited time spent on the coach. The tour includes input from Pastor Walter and has been formulated around his desires for worship opportunities and educational inclusions.

The hotels are 4* quality and centrally located. You will spend 2 nights in Eisenach, 2 nights in Erfurt, 5 nights in Leipzig and 1 night at Frankfurt airport. During your time in Leipzig, besides visiting the city, you will have day excursions to Eisleben, Wittenberg and Dresden.

You will notice that American Music Abroad is repeatedly mentioned in the brochure. This tour has been customized especially for Peace Lutheran Church and is strictly non-profit. However, there is need for a professional entity to collect deposits and disperse trip monies to European suppliers. American Music Abroad is an insured tour operator that has been in business since 1975, is a family business, and has professional credibility.

On the last page of the brochure is the information for the payment schedule, how to make payments and the cancellation schedule. Your initial deposit must be made by check payable to Peace Lutheran Church. This payment and a completed information/application form should be submitted to the church office by December 1, 2017. The initial deposit is \$200 per person. If you have already paid a \$100 deposit to the church (to indicate your interest in the trip), you need only pay an additional \$ 100.00 per person.

An insurance form is enclosed for your consideration. It is not necessary to purchase travel insurance from this company, however it is important to consider travel insurance. A 14 day pre-existing waiver is part of all travel insurance policies. This means that you will have coverage for pre-existing medical conditions if you purchase their policy within 14 days of your initial deposit. Your initial deposit date will be the date of receipt of the completed information/application form and deposit check.

Thank you for planning to join us in this special travel opportunity, "An Excursion to Luther & Bach Country: A Historical and Cultural Immersion".
