International Companion from Suriname attends Youth Gathering in Houston

Pictured left – Donato Grep – International Companion Program participant from Suriname, taking a selfie while feeding lorikeets at the Brevard Zoo.

Donato was nominated by his church, Martin Luther Kerk, because of his involvement in worship services and work with youth. With the help of a \$2500 grant from the ELCA, the FB Synod Global Mission Committee sponsored Donato and arranged for his airfare from Suriname to Chicago (for Orientation), to Orlando – where he spent a week with hosts Pr. Tom and Anita Unrath, visited the zoo and the Kennedy Space Center and swam in the ocean. Donato also volunteered at Hundred Acres Nature Preserve. He then flew on to Houston, TX for the ELCA Youth Gathering.

+CUBA update+

Plans are underway for Pr. Russell Meyer, Chair of the Cuba Mission Team, and Pr. Khader El-Yateem, Assistant to the Bishop of the FB Synod, to join a follow-up Global Mission visit to Cuba in November. Pr. Jaime Dubon of ELCA Global Mission, and a representative from Lutheran Disaster Response, will be leading the trip and focusing on deepening the relationship with the newest member of Lutheran World Federation – the United Evangelical Church – Lutheran Synod (IEU-SL), headquartered in Santiago, Cuba and with 15 congregations on the mainland of Cuba. Please keep our brothers and sisters in the Lutheran Church in Cuba in your prayers, especially for the day when normal diplomatic relations allow for unrestricted interaction between our two nations.

Thank you to all of the Florida Bahamas Synod individuals and congregations who participated in this special appeal to raise money for plants and seeds for Haiti. Donations collected in church this summer and during the week of Bible school are still being tabulated. With \$2500 in matching funds from the Special Projects fund of the Global Mission Committee, a check to purchase seeds will be sent to the ELH in time for fall planting.

Say – did you hear? October 7th is Global Mission Sunday in the Florida Bahamas Synod! Please consider a special program/presentation, worship service and offering for our Global Mission partners and the work of the Global Mission Committee! Thank you!

ELCA Missionary visits cancelled

Last newsletter issue we reported that Rev. Dr. Eliseo Perez – ELCA Missionary at our companion seminary in Jamaica – would be visiting supporting congregations All Saints, Port Royal; Emmanuel, Venice; and Christus Victor, Naples in August. Unfortunately, Dr. Perez has a medical condition requiring surgery and he had to cancel his plans. We ask for your prayers for his speedy recovery and return to teaching at the seminary.
