

Share the Love New Cabin Challenge

Ministry that's Making an Impact

Luther Springs provides experiences for all people in God's creation that inspire faith, build relationships, and transform lives. Through summer camp and year-round ministries, people of all ages enjoy holy time and a nurturing community at Luther Springs. We are excited to continue to grow this ministry that makes such an impact in individual lives and in the life of the church.

Congregations of the Pinelands Conference and partners throughout the Florida-Bahamas Synod are invited to help meet the New Cabin Challenge of \$150,000

A New Cabin at Luther Springs

Gethsemane Lutheran Church, Gainesville, is partnering with Luther Springs to share the love of camp and provide opportunities for even more people of God to enjoy the peace and beauty of camp. A new cabin at Luther Springs will provide additional camper space for summer and year-round ministry. To make this new cabin possible, funds totaling \$150,000 are needed. Gethsemane has given a generous portion of a recent property sale to make progress toward this goal and invites your congregation to join them in this effort.

A GOAL WE CAN REACH TOGETHER

Generous gifts from partnering congregations will be combined to reach our goal of \$150,000.

# of Gifts Needed	Value of Gift	Section Total
1	\$20,000	\$20,000

It is exciting to witness the remarkable growth of Luther Springs' ministry. We've expanded to the point our current cabin space is no longer sufficient. What an incredible and joyful challenge to face – a sign of God at work and of lives being transformed!
