

## **Reflect and Respond**

**These questions are intended for your personal use in preparing you for your mission journey, however, your Immersion Journey Leader may ask you to share some of your answers in one of the pre-trip orientation meetings in order to get a sense of your readiness for this experience and willingness to contribute to the group experience.**

1. Why are you interested in participating in this experience?
2. What personal qualifications or characteristics do you have that will contribute to the group and further the Companion Synod-Church/Institution relationship?
3. Explain what "accompaniment" means to you.
4. Are you willing to participate in the Immersion Journey Orientation Process conference calls, the post-trip evaluation and debriefing, and help to develop and commit to a Group Covenant?
5. How do you plan to share your experience with your congregation, conference or Synod?
6. If you are not a member of the Synod's Global Mission Committee or on one of the Companion sub-committees, are you planning on joining? If not, why not?
7. What Bible passages inspire you?
8. What is your faith statement?
