

# CLASSROOM UPGRADE FOR JAMAICA

Classroom 3 at the United Theological College of the West Indies (UTCWI) in Jamaica needs new equipment to continue to thrive as an ecumenical theological training institution. The Seminary is a global mission partner of the Florida-Bahamas Synod. The seminary has provided the following list of needs for their classroom.\*

## DVD PLAYER

A DVD player will allow students to learn from contemporary and relevant experts and resources.

**\$120**

## WEB CAMERA SECURITY

Web camera security will ensure students and information stay safe.

**\$125**

## SMART TV

A smart TV screen will allow students to access the internet for a wider range of resources, as well as allow for instructors and experts to teach virtually.

**\$670**

## CLASSROOM SPEAKER UNIT

A classroom speaker unit will ensure students can hear what is being taught.

**\$250**

## PODIUM

A podium will allow presenters to have a place to set notes and other supplies.

**\$1000**

## ADULT STUDENT DESK

Current desks are for children/youth. Adult-sized student desks will create a more comfortable learning environment.

**\$110**

**NEED 25!**

## WEB CAM

A web cam will allow instructors, special guests and students to participate in learning virtually.

**\$50**

## ADULT STUDENT CHAIR

Current chairs are for children/youth. Adult-sized student chairs will create a more comfortable learning environment.

**\$110**

**NEED 25!**

\*Prices are provided by UTCWI leadership based on local access and resources in Jamaica. Specific prices are rounded for easier use. All donated funds will go to this project.

## TEACHER DESK & CHAIR

A teacher's desk & chair will give the instructor a place to sit, prepare.

**\$240**

# CLASSROOM UPGRADE FOR JAMAICA

Besides specific classroom equipment, the seminary has also requested support for some broader renovations to ensure the classroom continues to be equipped for learning into the future.

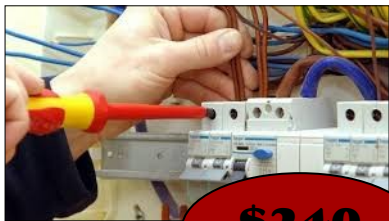

## FACILITY RENOVATIONS

**\$1.025**

### LIGHT BULB UPGRADES

Switching from incandescent to LED lights will conserve energy and is better environmentally.

**\$240**

### ELECTRICAL/ WIFI UPGRADES

Upgrading electrical work and installing WiFi will ensure the seminary is able to use more modern technology in learning.

**\$1,180**

### OUTSIDE LABOR

Skilled labor will ensure the renovations are done with quality and excellence.

**\$80**

### PAINTING WALLS

Painting classroom walls will provide a brighter and more modern learning environment.

### How can you help?

1. Set a goal for which need you feel called to meet.
2. Invite others to join you in raising/collecting the funds.
3. Send donations to the Florida-Bahamas Synod Office (3838 W. Cypress St, Tampa, FL 33607) with "Global Mission—Jamaica Seminary" in the memo)
4. Name the ministry of UTCWI in your prayers during worship.
5. Funds will be combined and sent to UTCWI, who will then make the purchases and do the work using local resources and labor.
6. Learn more about UTCWI at [www.utcwi.edu.jm](http://www.utcwi.edu.jm)
